Regular Sugar Paste

Regular Sugar Paste has a texture that is soft and pliable. It is the most commonly used sugar paste.

1kg / 35oz.

Tropical Sugar Paste

Tropical Sugar Paste has a much firmer texture than Regular Sugar Paste. It is excellent for use in warmer, humid climates, non-air-conditioned establishments and for Practitioners whose hands have a tendency to perspire.

1kg / 35oz.

LK Private Stock Soft Sugar Paste

Lk Private Stock Sugar Paste was developed for use by Lina Kennedy, President of Alexandria Professional. It is a very soft paste. Its consistency is good for practitioners who have mastered their skills in the advanced technique of body sugaring.

1kg/35oz.

Strip Sugar Paste

Strip Sugar Paste has a liquefied texture that is applied five times thinner than conventional wax products. This method is referred to as "Strip Sugaring".

500g/16oz.

Sugar Warmer
Client Record Cards 50 per pkg.

Our pre and post sugaring products have been specifically developed for hair removal, however, they are extremely effective and available for other services in your spa such as facials and body care.

Presept Skin Cleanser

An anti microbial solution formulated to cleanse the skin of any dirt, make-up, or oils before hair removal sugaring treatments. It is extremely gentle, effective and can be used on all parts of the body and face.

475ml/16oz.

Essential Tonic

This formula was developed for pre and post epilation use. Essential Tonic possesses anti microbial, antiseptic, anti fungal, anti viral, cicatricant (cell regenerating) and anti-inflammatory properties. These properties have a soothing and calming effect on the skin and help to reduce redness (if any) after treatments. One of the ingredients actually helps to open the cuticles of the hair shaft allowing the paste to grip the hair even better.

226ml/8 fl. oz.

Vertal-6 Drying Powder

This is a pure, refined, high quality powder. It is perfume free, chemical free, oil free and is hypoallergenic.

454g/16oz.

Restore Hydrating Lotion

Out lotion consists of several calming and soothing ingredients and is lightweight and non-comedogenic. Restore Hydrating Lotion gently soothes and protects even sensitive skin and is very effective on all body parts including the face. This lotion is formulated for hydrating the skin after the sugaring treatments, therefore maximizing the benefits offered by a high quality transdermal lotion.
